

# Biswesar Ghosh

## Software Developer

Dedicated and detail-oriented Software Developer with a strong foundation in programming. A recent graduate with a MCA degree from Dr. B C Roy Engineering College. Proficient in Python, Java, Node.js and I have a solid understanding of PHP and web development. My problem-solving skills, coupled with a collaborative mindset, make me well-suited for dynamic and challenging development environments. I am committed to continuous learning and staying abreast of emerging technologies to drive innovation and deliver high-quality software solutions.
